

QUEENSHIP AND POWER

QUEENSHIP AND  
REVOLUTION IN EARLY  
MODERN EUROPE

*Henrietta Maria and Marie Antoinette*

Carolyn Harris

# Nice Queenship Revolution Early Modern Europe

**Carolyn Harris**

## **Nice Queenship Revolution Early Modern Europe:**

*Queenship in Early Modern Europe* Charles Beem, 2019-12-05 Offering a fascinating survey of European queenship from 1500-1800 with each chapter beginning with a discussion of the archetypal queens of Western, Central, Northern and Eastern Europe. Charles Beem explores the particular nature of the regional forms and functions of queenship including consorts, queens regnant, dowagers and female regents while interrogating our understanding of the dynamic operations of queenship as a transnational phenomenon in European history. Incorporating detailed discussions of gender and material culture, this book encourages both instructors and student readers to engage in meaningful further research on queenship. This is an excellent overview of an exciting area of historical research and is the perfect companion for undergraduate and postgraduate students of History with an interest in queens and queenship.

*French Royal Women during the Restoration and July Monarchy* Heta Aali, 2021-06-10 This book examines public discussions around France's four most prominent royal women during the first and second Restoration and July Monarchy: the duchesse d'Angoulême, the duchesse de Berry, Queen of the French Marie-Amélie, and Adélaïde d'Orléans. These were the most powerful women of the last decades of the French monarchy, but the new roles women were assigned in post-revolutionary France did not permit them to openly exercise political influence. This book explores continuities and variations in narratives of royal legitimacy and how historians, authors, and politicians used national history, particularly medieval and early modern history, to either legitimize or undermine the French monarchy and to define women's social and political roles.

**Debating Women, Politics, and Power in Early Modern Europe** Sharon L. Jansen, 2008-03-15 The sixteenth century was an age of politically powerful women. Queens acting in their own right and female regents acting on behalf of their male relatives governed much of Western Europe. Yet even as women ruled and ruled effectively, their right to do so was hotly contested. Men's voices have long dominated this debate, but the recovery of texts by women now allows their voices long silenced to be heard once again. *Debating Women, Politics, and Power in Early Modern Europe* is a study of texts and textual production in the construction of gender, society, and politics in the early modern period. Jansen explores the gynocracy debate and the larger humanist response to the challenge posed by female sovereignty.

*Queenship and Revolution in Early Modern Europe* Carolyn Harris, 2016-04-03 Though separated by over a century, Queens Henrietta Maria and Marie Antoinette bear striking similarities as historical figures. Both women lived through periods of violent revolution in which insurgent regimes specifically targeted and undermined them in order to discredit the monarchy and strengthen claims to legitimate rule. This novel comparative study explores how these queens perceived their roles as wives, mothers, and heads of royal households, thus providing new insights into the political significance of royal women in Early Modern Europe, the evolution of court culture and the public sphere, and changing ideas of marriage and family.

**Historians of Early Modern Europe**, 1987 **Henrietta Maria and Marie Antoinette**  
Carolyn Harris, [Forgotten Queens in Medieval and Early Modern Europe](#) Valerie Schutte, Estelle Parant, 2018-10-16

Forgotten Queens in Medieval and Early Modern Europe examines queens dowager and queens consort who have disappeared from history or have been deeply misunderstood in modern historical treatment Divided into eleven chapters this book covers queenship from 1016 to 1800 demonstrating the influence of queens in different aspects of monarchy over eight centuries and furthering our knowledge of the roles and challenges that they faced It also promotes a deeper understanding of the methods of power and patronage for women who were not queens many of which have since become mythologized into what historians have wanted them to be The chronological organisation of the book meanwhile allows the reader to see more clearly how these forgotten queens are related by the power agency and patronage they displayed despite the mythologization to which they have all been subjected Offering a broad geographical coverage and providing a comparison of queenship across a range of disciplines such as religious history art history and literature Forgotten Queens in Medieval and Early Modern Europe is ideal for students and scholars of pre modern queenship and of medieval and early modern history courses more generally

### **Remembering Queens and Kings of Early Modern England and France**

Estelle Paranque,2019-08-06 This collection examines the afterlives of early modern English and French rulers Spanning five centuries of cultural memory the volume offers case studies of how kings and queens were remembered represented and reincarnated in a wide range of sources from contemporary pageants plays and visual art to twenty first century television and from premodern fiction to manga and romance novels With essays on well known figures such as Elizabeth I and Marie Antoinette as well as lesser known monarchs such as Francis II of France and Mary Tudor Queen of France Remembering Queens and Kings of Early Modern England and France brings together reflections on how rulers live on in collective memory

### **Queen Charlotte** Natalee Garrett,2024-12-27

This biography provides a well rounded analysis of Queen Charlotte by considering her own perspectives on queenship and her role in Britain It explores her relationships within the royal family and the court how she was perceived in the British public sphere and in the press during her reign as queen consort and the impact of the madness of her husband King George III This book provides readers with a comprehensive nuanced and sensitive analysis of Queen Charlotte s life and legacy Charlotte embodied many of the features of queenship and womanhood that were valued in this period such as charity and familial duty but she also struggled with her husband s persistent insanity political scandals and issues with her many children The book provides students and general readers with an exploration of this fascinating queen who reigned as consort for an impressive 57 years but who has been eclipsed by the legacies of her husband and her son It also contributes to queenship studies by enhancing our understanding of how issues such as charity political interference and familial scandals impacted on the position of queen consort This biography incorporates new sources and perspectives from both Britain and Germany including material unearthed through the Georgian Papers Programme as well as material culture and visual culture It explores themes of print culture Charlotte s friendships identity and royal philanthropy Queen Charlotte is essential reading for students of eighteenth century Britain

and its Empire and the history of queenship women gender studies and popular culture more broadly **Queenship and Counsel in Early Modern Europe** Helen Matheson-Pollock, Joanne Paul, Catherine Fletcher, 2018-07-16 The discourse of political counsel in early modern Europe depended on the participation of men as both counsellors and counselled. Women were often thought too irrational or imprudent to give or receive political advice but they did in unprecedented numbers as this volume shows. These essays trace the relationship between queenship and counsel through over three hundred years of history. Case studies span Europe from Sweden and Poland Lithuania via the Habsburg territories to England and France and feature queens regnant, consort and regent including Elizabeth I of England, Catherine Jagiellon of Sweden, Catherine de Medici and Anna of Denmark. They draw on a variety of innovative sources to recover evidence of queenly counsel from treatises and letters to poetry, masques and architecture. For scholars of history, politics and literature in early modern Europe this book enriches our understanding of royal women as political actors. [Women and Portraits in Early Modern Europe](#)

Andrea G. Pearson, 2008 7 All the Queen's Women: Female Double Portraits at the Caroline Court 8 Troubling Identities and the Agreeable Game of Art From Madame de Pompadour's Theatrical Breeches of Decorum to Drouais's Portrait of Madame Du Barry En Homme 9 Sculpting Her Image Sarah Siddons and the Art of Self Fashioning Bibliography Index [Power and Ceremony in European History](#) Anna Kalinowska, Jonathan Spangler, 2021-09-09 From oaths and hand kissing to coronations and baptisms Power and Ceremony in European History considers the governing practices, courtly rituals and expressions of power prevalent in Europe and the Ottoman Empire from the medieval age to the modern era. Bringing together political and art historical approaches to the study of power this book reveals how ceremonies and rituals far from simply being ostentatious displays of wealth served as a primary means of communication between different participants in political and courtly life. It explores how ceremonial culture changed over time and in different regions to provide readers with a nuanced comparative understanding of rituals and ceremonies since the middle ages showing how such performances were integral to the evolution of the state in Europe. This collection of essays is of immense value to both historians and art historians interested in representations of power and the political culture of Europe from 1450 onwards. **Queens Consort, Cultural Transfer and European Politics, c.1500-1800** Helen Watanabe-O'Kelly, Adam Morton, 2016-11-03 Queens Consort Cultural Transfer and European Politics examines the roles that queens consort played in dynastic politics and cultural transfer between their natal and marital courts during the sixteenth, seventeenth and eighteenth centuries. This collection of essays analyses the part that these queens played in European politics showing how hard and soft power, high politics and cultural influences cannot be strictly separated. It shows that the root of these consorts' power lay in their dynastic networks and the extent to which they cultivated them. The consorts studied in this book come from territories such as Austria, Braunschweig, Hanover, Poland, Portugal, Prussia and Saxony and travel to among other places Britain, Naples, Russia, Spain and Sweden. The various chapters address different types of cultural manifestation among them collecting

portraiture panegyric poetry libraries theatre and festivals learning genealogical literature and architecture The volume significantly shifts the direction of scholarship by moving beyond a focus on individual historical women to consider queens consort as a category making it valuable reading for students and scholars of early modern gender and political history

Hanoverian to Windsor Consorts Aidan Norrie, Carolyn Harris, J.L. Laynesmith, Danna R. Messer, Elena Woodacre, 2023-02-24 This book examines the lives and tenures of the consorts of the Hanoverian Saxe Coburg and Gotha and Windsor monarchs from 1727 to the present. Some of the consorts examined in this volume such as Queen Elizabeth the Queen Mother consort to George VI are well known while others including Adelaide of Saxe Meiningen consort to William IV are more obscure. These innovative and authoritative biographies bring a fresh approach to the consorts of this period revealing their lasting influence on the monarchy. In addition to covering a period that has seen the development of constitutional monarchy and increased media scrutiny of the whole royal family this volume also looks to the future of the British monarchy suggesting ways that future consorts can learn from the example of their predecessors. This volume and its companions reveal the changing nature of British consortship from the Norman Conquest to today. Western Civilization F. Roy Willis, 1987 **Bulletin**, 2002 *The American*, 1897 **Historical Abstracts** Eric H. Boehm, 1999 **Significant**

**Others** Zita Eva Rohr, Jonathan W. Spangler, 2021-08-30 **Significant Others** explores the transformative possibilities of alterity or otherness and offers concrete case studies that provide a greater understanding and nuance with regard to aspects of deviance and difference in premodern court cultures. Both public and nominally private spaces were subject to the important influence of significant others such as women, ethno religious minorities and marginalized and/or difficult to categorize men. From their positions within and ties to court cultures these diverse outsiders others played crucial roles in maintaining a fluidity essential for the successful sustaining of territorial monarchies and polities challenging our understanding of the more narrowly defined elite behaviours that shaped premodern dynasties rulers societies and cultures of the past. By exploring a variety of case studies from history and literature such as Moroccan Jews as dhimmis protected persons to bastards, mistresses and sodomites in ancien régime France to the transformative role of magic in Sir Gawain and the Green Knight this volume makes use of empirical and contextually informed research to respond to theoretical questions posed by recent historiography. With a cross disciplinary approach this collection of essays will be a valuable resource for all students and scholars interested in the diverse aspects and contexts of premodern others. ## **Nice Queenship Revolution Early Modern Europe Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Nice Queenship Revolution Early Modern Europe PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Nice Queenship Revolution Early Modern Europe PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms

offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Nice Queenship Revolution Early Modern Europe free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Nice Queenship Revolution Early Modern Europe Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What is the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Nice Queenship Revolution Early Modern Europe is one of the best books in our library for free trial. We provide a copy of Nice Queenship Revolution Early Modern Europe in digital format, so the resources that you find are reliable. There are also many eBooks related to Nice Queenship Revolution Early Modern Europe. Where to download Nice Queenship Revolution Early Modern Europe online for free? Are you looking for Nice Queenship Revolution Early Modern Europe PDF? This is definitely going to save you time and cash in something you should think about.
