**Oliver and Jumpy, Stories 19-24** Werner Stejskal,2015-12-07 Oliver and Jumpy are best of friends and experience many adventures together 74 pages Oliver is a black and white tomcat who is very self assured As a matter of fact he says I love myself quite often But his best friend Jumpy is aware that he is only putting up a front Oliver has a soft heart and will always want to help others Oliver loves to ride in Jumpy s pouch He calls her his kangaroo taxi There are lots of fairy tales and bedtime stories around and many of them are quite violent and unsuitable for young children This made Werner decide to write something different On a flight from Europe to Australia he watched the movie Magic on Belle Island with Morgan Freeman where Freeman teaches a little girl to have imagination and write to her first story This inspired Werner as well and the first stories of the series made their appearance This is the fourth book in the printed series combining Stories 19 24 Story 19 Santa s Chocolate Factory Naughty Joey is getting into mischief Story 20 Triller One of Oliver s friends is taking part in a singing contest Story 21 April Volcano April Fools Day can be no joke Story 22 The Incredible Train Journey The three friends are having a very adventurous train journey Story 23 Hiccup Do you ever suffer of Hiccups See if this adventure helps you Story 24 Fishing Oliver goes fishing with Joey These stories are beautifully illustrated and short enough as bedtime stories The text is NOT very simple picture book style but more demanding So while little children will enjoy the sometimes complex pictures and have a parent telling them the stories in his own words older children will do their own reading and use this book as a first reader Therefore I believe these books will attract children from a very early age until about eight years old Author Peter Frederick is writing about this series Here are books created by Werner Stejskal an author who has a wonderful sense of adaptability into the world of a child Movements sentiments expressions and ideas are being visualised that enthrall and win over the little reader Plus his terminology is perfectly matched to the mood of each self contained story The author also displays amazing sensitivity and is able to transport even adults back into long past childhood All good virtues are being emphasized like friendship loyalty determination and civility giving the fascinated reader the right signals for spiritual development The main characters Oliver and Jumpy are the masters of a variety of situations that draw the reader into the stories But one of the main reasons for the success of these children s books is the artwork The graphics outstandingly created by the artist have their hues and shapes completely adapted to the respective situation and so contribute to the emotional absorption of each picture Text and message sombre feelings and cheery situations are being created and masterly entertain the little readers One can only recommend this series of children s books to all adults who wish to keep their little ones occupied in a positive entertaining and learning environment

**An Invitation to Slow** Mark R. McMinn,Lisa Graham McMinn,2024-10-22 We live in a day of fast information fast fingers fast food fast shipping fast words fast anger and fast judgment Our fight or flight impulses keep us on high alert aided by mobile devices that vibrate each time another crisis strikes All this fastness can easily interfere with a slow intentional life grounded in God s love

Christian faith has deep treasures and practices to offer us How will we live and who will we be in this highly charged era where politics economics environment and social norms are under significant duress Come explore quieter more intentional ways of being and how these might attune us to the slow work of God in order that we might love one another and the world as God does Our chapters pair a lure to move fast with an invitation to slow Becoming slow to anger is an invitation to empathy slow to judge is an invitation to humility and slow to grasp is an invitation to contentment Ultimately each of these invitations is a movement toward God    **Poisoners and Slow Poisoning.
