**Olives for the Stranger (Have Body Will Guard Book 4)** Neil S Plakcy, 2023-11-01 Aidan and Liam face the Jasmine Revolution in Tunisia as protesters and police clash in the streets A gay couple who live on a vineyard in the Tunisian countryside ask Aidan and Liam to protect their niece Leila a young girl whose mother has been taken into police custody Leila though has been raised by her religious parents to distrust even hate her gay uncles and anyone like them For the first time the bodyguards have to protect someone who embodies the world's prejudice against them As the threats against Leila and her activist parents grow hunky ex SEAL Liam is stuck in the Tunisian countryside while teacher and novice bodyguard Aidan travels to France on his own with Leila Liam must deal with his emotions once separated from his partner while Aidan struggles to protect Leila and her father from a deadly villain as Liam has taught him Both men must examine the depths of their love for each other while it seems the whole country is against them **The Burning Water** Neil S. Plakcy, 2024-10-08 A deadly virus is ravaging the world's population killing millions of men But some are mysteriously immune gay men and women seem unaffected As society crumbles one young journalist races to uncover the truth behind the virus's origins and spread Jasper Green was just looking for his next big story in China when he stumbled upon patient zero an African boy who had escaped from a secret research facility in North Korea Now Jasper finds himself at the epicenter of a global pandemic that threatens to wipe out most of humanity As he struggles to stay alive and report on the unfolding catastrophe Jasper makes a shocking discovery about who is vulnerable to the virus and why The implications could reshape human society forever if civilization can survive This gripping medical thriller explores themes of sexuality gender roles and how society might change in the aftermath of a devastating plague With pulse pounding suspense and thought provoking ideas *The Burning Water* imagines a world forever altered by a virus that discriminates based on sexual orientation An electrifying read that feels all too plausible in our post COVID world *The Wreath of Wild Olive* Mihai I. Spariosu, 1997-04-24 Mihai Spariosu's book strikingly intervenes in the debate raging among the various oppositional and hegemonic discourses by advancing a new philosophy that transcends the currently prevailing agonistic mentality He develops a ludic irenic view intended to exceed both a voluntaristic and rationalist mode of thought thereby convincingly opposing the all pervading mentality of power in a world marked by difference scapegoating and strife between various social ethnic racial and sexual factions The ludic irenic stance basically derived from the playfulness of literature produces alternative mentalities and alternative worlds which promote a responsive understanding of what there is thus bringing to bear a healing influence within the human community in which power and difference will cease to be ultimates What Spariosu puts forward and demonstrates by means of a stupendous erudition is no less than a total reorientation of cultural criticism that is bound to have its impact on the course cultural studies will take *The Preacher's Complete Homiletical Commentary on the Old Testament: Ruth*, 1892 **Olives for the Stranger** Neil Steven Plakcy, 2017 *Olives for the Stranger* pits Aidan and Liam

against a deadly villain and forces them to operate separately jeopardizing the emotional and sexual bond that keeps them together As demonstrators and police spar in the streets of Tunis bodyguards Aidan and Liam must protect Leila a young girl whose mother has been taken into police custody While the threats against her and her activist parents grow hunky ex SEAL Liam is stuck in the Tunisian countryside while teacher and novice bodyguard Aidan travels to France on his own with Leila Liam must deal with his emotions once separated from his partner while Aidan struggles to protect Leila and her father from a deadly villain as Liam has taught him Both men must examine the depths of their love for each other and satisfy themselves that more than just sexual desire keeps them together Provided by publisher     Homiletical commentary on the books of Samuel W.
