

In the discus event the athletes threw a disk-shaped object for distance. The discus itself was made of stone or, later, iron, lead, or bronze.

To increase their distance, the athletes held weights. They swung them above their heads on leashes and threw them behind them before landing.

The javelin was a wooden rod with one end sharpened. The athletes held a leather strap placed around the rod that helped them to throw the javelin farther.

Two- and four-horse chariot races as well as horse riding races made up the equestrian events. The owners of the chariots or horses, not the participants, won.

## ANCIENT OLYMPIC GAMES

The Olympic Games began in Olympia, Greece, in 776 BC and took place every four years until AD 393. They were held in honor of Zeus. At the first Games, athletes competed in only one running event held on a single day. However, over the years other events were added, and the Games eventually were expanded to five days.

There were four running events, all of which consisted of a predetermined number of laps in the stadium. In one race the athletes wore armor and carried a shield.

The athletes wrapped their hands and wrists in leather. Later they added metal on their knuckles. An athlete won when his opponent was knocked out or gave up.

The athletes fought with bare hands while standing up. An athlete won after he forced his opponent's hip, shoulder, or back to the ground three times.

The pankration was a combination of wrestling and boxing. The only rules were that an athlete could not bite his opponent or gouge at his eyes or nose.

## **Olympic Games In Ancient Greece:**

**The Ancient Olympic Games** Judith Swaddling, 1999 For over one thousand years between 776 B C and A D 395 princes statesmen and famous athletes gathered every four years at Olympia in western Greece to compete for the olive crowns of the ancient Olympic Games Judith Swaddling traces the mythological and religious origins of the games and describes the events religious ceremony and celebrations that were an essential part of the Olympic festival The book also features a large detailed model of the site of ancient Olympia where alongside religious and civic buildings there grew an elaborate sports complex with a stadium for 40 000 spectators indoor and outdoor training facilities hot and cold baths a swimming pool and a race course For this revised edition three new chapters have been added covering the diet and medical treatment of athletes sponsorship patronage and propaganda and revivals of the games Superbly illustrated with vases sculpture and other works of ancient art and with new views of the site the new edition of this indispensable account of Ancient Olympia and the games now includes color reproduction for over half the illustrations as well as many additional pictures

**The Ancient Olympic Games** Charles River Editors, 2014-03-13 Includes pictures Includes ancient accounts about the Games Includes a bibliography for further reading The most important thing in the Olympic Games is not winning but taking part the essential thing in life is not conquering but fighting well Epictetus Many are the sights to be seen in Greece and many are the wonders to be heard but on nothing does Heaven bestow more care than on the Eleusinian rites and the Olympic games Pausanias While they are still well known the Olympic Games of Ancient Greece are more relevant today than most people know and the ways in which athletic sports pervade contemporary culture is comparable only to the spirit of athleticism in Hellenic Greece Today a large section of the media industry is devoted exclusively to sports and in some nations sports even figures as a critical component of their identity In America the Super Bowl could be considered a holiday of sorts and of course today s Olympic Games capture the attention of millions and millions of people around the world for two weeks The Ancient Olympic Games were all these things and then some It was a ritualized spectacle of great cultural importance in Greece as well as an international communion that celebrated both diversity and unity but most importantly it was an ode to the strength of the human body and a paean to the vigor of the human spirit For over a thousand years from the 8th century BC to the 4th century AD competitors and spectators traveled from all over Europe and Asia Minor to attend the legendary contests bringing with them not only their passion for athletics but also their poetry music arts and ideas The ancient historian Strabo captured the spirit well when he described the Olympics the glory of the temple persisted on account both of the festal assembly and of the Olympian Games in which the prize was a crown and which were regarded as sacred the greatest games in the world The temple was adorned by its numerous offerings which were dedicated there from all parts of Greece Despite their international character the Ancient Olympic Games belonged exclusively to the Greeks even though prior to Alexander the Great Ancient Greece consisted mostly of small city states that warred constantly

with each other The Olympic Games served to assemble them and allow them to appreciate the commonality of their customs gods language and other cultural characteristics the very things that made them Greek The historian Pausanias explained just how important the games were to the Greeks and their sense of pride by discussing one of the Olympics best athletes Sotades at the ninety ninth Festival was victorious in the long race and proclaimed a Cretan as in fact he was But at the next Festival he made himself an Ephesian being bribed to do so by the Ephesian people For this act he was banished by the Cretans The Ancient Olympic Games The History and Legacy of Antiquity s Most Famous Sports Competitions examines the origins of the games highlights the competitions and looks at the history and legacy of the events that spawned today s modern Olympics Along with pictures depicting important people places and events you will learn about the Ancient Olympics like never before in no time at all A Brief History of the Olympic Games David C. Young,2008-04-15 For more than a millennium the ancient Olympics captured the imaginations of the Greeks until a Christianized Rome terminated the competitions in the fourth century AD But the Olympic ideal did not die and this book is a succinct history of the ancient Olympics and their modern resurgence Classics professor David Young who has researched the subject for over 25 years reveals how the ancient Olympics evolved from modest beginnings into a grand festival attracting hundreds of highly trained athletes tens of thousands of spectators and the finest artists and poets

### **The Olympic Games in Ancient Greece**

Nikolaos Gialoūes,Manolēs Andronikos,1982 Countless volumes have been written about Greek civilisation its achievements and its significance for the modern world Ekdotike Athenon felt it incumbent upon itself to present a complete picture of the history of sport and of the Olympic Games as part of its series of publications To this end the aid has been sought of all the specialists who would be able to offer the reader an authoritative account both of the history of the Games and also of the historical and archaeological data that illuminate this history and make it possible to interpret it It would be difficult however for even the most competent historian to bring to life the world of sport and athletic games without the aid of illustrations A uniquely rich series of plates and drawings has therefore been included which will enable the reader to follow the text with ease and to form a complete and living picture of athletics in Ancient Greece This volume will be of value and interest to lovers of sport of the ancient world and of art and to specialists alike

The Ancient Olympic Games ,2020-11-12 Travel back in time to Ancient Greece to discover the origins of the Olympic Games Bright bold and dynamic artwork bring to life the origins of the Olympic Games Find out about the legend behind the games the original events and the excitement that filled Olympia during the Olympic Festival See how the competitors used to train and learn about each of the original events that took place including chariot racing wrestling the discuss javelin and boxing Get the Olympic buzz from all the excitement of the hippodrome Olympic ceremonies and celebrations and learn about the importance of the Heraia the competition for women organised by women This book provides a brilliant and striking introduction to the Ancient Olympics for children aged 7 Sport and Society in Ancient Greece Mark Golden,1998-09-10 Sport and Society in Ancient Greece provides a

concise and readable introduction to ancient Greek sport It covers such topics as the links between sport religion and warfare the origins and history of the Olympic games and the spirit of competition among the Greeks Its main focus however is on Greek sport as an arena for the creation and expression of difference among individuals and groups Sport not only identified winners and losers It also drew boundaries between groups Greeks and barbarians boys and men males and females and offered a field for debate on the relative worth of athletic and equestrian competition The book includes guides to the ancient evidence and to modern scholarship on the subject **The Pan-Hellenic Games in Ancient Greece** Charles River,2020-03-19 Includes pictures Includes excerpts of ancient accounts Includes a bibliography for further reading The most important thing in the Olympic Games is not winning but taking part the essential thing in life is not conquering but fighting well Epictetus Many are the sights to be seen in Greece and many are the wonders to be heard but on nothing does Heaven bestow more care than on the Eleusinian rites and the Olympic games Pausanias The Pan Hellenic Games is the collective term for the four major sports festivals held in ancient Greece These include the Olympic Games held in honor of Zeus at Olympia every four years the Pythian Games in honor of Apollo held at Delphi every four years the Nemean Games held to celebrate Zeus and Heracles at Nemea near Corinth every two years and the Isthmian Games honoring Poseidon at Isthmia every two years The Olympiad a period of four years was one of the main ways the Greeks measured time The Olympic Games were used as a starting point effectively year one of the cycle The Nemean and Isthmian Games were both held in different months in year two followed by the Pythian Games in year three and the Nemean and Isthmian Games again in year four The cycle then repeated itself with the Olympic Games starting the sequence again Being structured in this way ensured that individual athletes could participate in all of the games Competitors came from all over the Greek world including the Greek colonies as well as Asia Minor and Spain and the only main issue seems to be the expense competitors had to be relatively affluent to afford training transportation lodgings and other costs associated with taking part Women and non Greeks were mostly prohibited from participation except on extremely rare occasions when an exception was made as Perhaps the most famous was when the Roman Emperor Nero was allowed to participate in the Olympics The main events at all of the games were chariot racing wrestling boxing the pankration the stadion various other foot races and the pentathlon With the exception of the chariot race all of the events were performed in the nude While they are still well known the Olympic Games of ancient Greece are more relevant today than most people know and the ways in which athletic sports pervade contemporary culture is comparable only to the spirit of athleticism in Hellenic Greece Today a large section of the media industry is devoted exclusively to sports and in some nations sports even figures as a critical component of their identity In America the Super Bowl could be considered a holiday of sorts and of course today s Olympic Games capture the attention of millions and millions of people around the world for two weeks The Olympic Games were all these things and then some It was a ritualized spectacle of great cultural importance in Greece as well as an international communion that

celebrated both diversity and unity but most importantly it was an ode to the strength of the human body and a paean to the vigor of the human spirit For over a thousand years from the 8th century BCE to the 4th century CE competitors and spectators traveled from all over Europe and Asia Minor to attend the legendary contests bringing with them not only their passion for athletics but also their poetry music arts and ideas The ancient historian Strabo captured the spirit well when he described the Olympics The glory of the temple persisted on account both of the festal assembly and of the Olympian Games in which the prize was a crown and which were regarded as sacred the greatest games in the world The temple was adorned by its numerous offerings which were dedicated there from all parts of Greece *The Ancient Olympics* Nigel

Spivey,2012-06-14 The word athletics is derived from the Greek verb to struggle for a prize After reading this book no one will see the Olympics as a graceful display of Greek beauty again but as war by other means Nigel Spivey paints a portrait of the Greek Olympics as they really were fierce contests between bitter rivals in which victors won kudos and rewards and losers faced scorn and even assault Victory was almost worth dying for and a number of athletes did just that Many more resorted to cheating and bribery Contested always bitterly and often bloodily the ancient Olympics were not an idealistic celebration of unity but a clash of military powers in an arena not far removed from the battlefield **Olympia** Robin

Waterfield,2018-11-15 In the northwestern corner of the great peninsula of the Peloponnese close to the meeting point of the Cladeus and Alpheus rivers lies a peaceful river valley overlooked by the steep sided Hill of Cronus Here between the eighth century BCE and the fourth century CE rival athletes competed for glory in the ancient Olympic Games Every four years and from every corner of the Mediterranean world from Samos to Syracuse and from Sparta to Smyrna they descended on this quiet corner of southern Greece sacred to Zeus seeking to excel in disciplines as diverse as sprinting boxing wrestling trumpet blowing and chariot and mulecart racing The victors of these ancient games may have been awarded crowns of olive leaves in recognition of their achievements but these original Olympics were no idealistic celebration of the classical aesthetic of grace and beauty shared by all of the participating Greek city states but often a bitterly contested struggle between political rivals Robin Waterfield paints a vivid picture of the reality of the ancient Olympic Games describes the events in which competitors took part explores their purpose rituals and politics and charts the vicissitudes of their remarkable thousand year history **Olympic Games in Ancient Greece** Shirley Glubok,Alfred Tamarin,1976 *Olympic Games in Ancient Greece* Shirley Glubok,Alfred H. Tamarin,1984 An account of the Olympic games as they probably occurred in 400 B C when they were at the height of their classic glory

**Ancient Greece and The Olympics | Children's Ancient History** Baby Professor,2017-04-15 Did you know that the ancient Greeks were also the first ones to come up with the idea of the Olympics The idea was originally crafted to honor Zeus From then on the world caught on and the Olympics is now the biggest and most prestigious sports gathering worldwide Read more details in the pages of this book **The Olympic Games in Ancient Greece** Nikólaos Gialoúris,1976 *The Ancient Olympic Games* Judith Swaddling,2015-09-01 For over 1 000

years between 776 BC and AD 395 people from all over the classical world flocked every four years to Olympia in Western Greece to see famous athletes compete for the olive crowns of the ancient Olympic Games. The Games were huge and so was the build up virtually the whole of the preceding year was devoted to the preparations of the site and the athletes. But these games were much more than just a sporting event religion power politics scandal and propaganda were all at the center of the five day festival. Held in honor of Zeus the supreme god of Greek mythology a visit to Olympia was also a pilgrimage to his sacred temple. In this updated edition of her indispensable guide to the ancient Games Judith Swaddling traces their mythological and religious origins. Describing the events the sacred ceremony and the celebrations that were an essential part of the Olympic festival this book paints a vivid picture of what it was like to be at these prestigious games. Concluding with a chapter on the modern Olympics that brings the story right up to the preparations for the London 2012 Games this fascinating book is essential reading for anyone interested in the Olympics the greatest games of them all *The Naked Olympics* Tony Perrottet, 2004-06-08. What was it like to attend the ancient Olympic Games. With the summer Olympics return to Athens Tony Perrottet delves into the ancient world and lets the Greek Games begin again. The acclaimed author of *Pagan Holiday* brings attitude erudition and humor to the fascinating story of the original Olympic festival tracking the event day by day to re-create the experience in all its compelling spectacle. Using firsthand reports and little known sources including an actual Handbook for a Sports Coach used by the Greeks *The Naked Olympics* creates a vivid picture of an extravaganza performed before as many as forty thousand people featuring contests as timeless as the javelin throw and as exotic as the chariot race. Peeling away the layers of myth Perrottet lays bare the ancient sporting experience including the round the clock bacchanal inside the tents of the Olympic Village the all male nude workouts under the statue of Eros and history's first corruption scandals involving athletes. Featuring sometimes scandalous cameos by sports enthusiasts Plato Socrates and Herodotus *The Naked Olympics* offers essential insight into today's Games and an unforgettable guide to the world's first and most influential athletic festival. Just in time for the modern Olympic games to return to Greece this summer for the first time in more than a century Tony Perrottet offers up a diverting primer on the Olympics of the ancient kind. Well researched his sources are as solid as sources come. It's also well written. Perhaps no book of the season will show us so briefly and entertainingly just how complete is our inheritance from the Greeks vulgarity and all. *The Washington Post* *Ancient Greece and the Olympics* Mary Pope Osborne, Natalie Pope Boyce, 2004. Annie and Jack present information about ancient Greece and the athletic events known as the Olympic games that were held there. Annotation. What was it like to live in ancient Greece? What gods and goddesses did Greeks believe in? How did the Olympics start? What was the winner's prize? Find out the answers to these questions and many more in this Magic Tree House Research Guide. Includes fun facts from Jack and Annie, fantastic photos and illustrations and a guide to doing further research. **Greek Athletics and the Olympics** Alan Beale, 2011-09-29. An exciting series that provides students with direct access to the ancient world by offering new

translations of extracts from its key texts Where did the idea of celebrating the Olympic Games every four years come from The short answer is ancient Greece The very name Olympic announces an origin for the competition but as with most of our classical heritage it is easy for the superficial similarities to conceal major cultural differences The purpose of this new book in the Greece and Rome Texts and Contexts series is to provide an introduction to Greek athletics and their most important competition at Olympia through a selection of contemporary visual and literary sources *The Olympic Games in Ancient Greece* Manolis Andronicos,1982 *The Ancient Greek Olympics* Richard Woff,1999 Describes the history traditions and competitive events connected with the Olympic games held in ancient Greece **Ancient Greece and the Olympics** Mary Pope Osborne,Natalie Pope Boyce,2012-02-29 The 1 bestselling chapter book series of all time celebrates 25 years with new covers and a new easy to use numbering system Getting the facts behind the fiction has never looked better Track the facts with Jack and Annie When Jack and Annie got back from their adventure in Magic Tree House 16 Hour of the Olympics they had lots of questions What did the ancient Greeks wear What did they do for fun Where were the very first Olympics held How are our modern Olympics similar to the ancient Olympics Find out the answers to these questions and more as Jack and Annie track the facts Filled with up to date information photos illustrations and fun tidbits from Jack and Annie the Magic Tree House Fact Trackers are the perfect way for kids to find out more about the topics they discovered in their favorite Magic Tree House adventures And teachers can use Fact Trackers alongside their Magic Tree House fiction companions to meet common core text pairing needs Did you know that there s a Magic Tree House book for every kid Magic Tree House Adventures with Jack and Annie perfect for readers who are just beginning chapter books Merlin Missions More challenging adventures for the experienced reader Super Edition A longer and more dangerous adventure Fact Trackers Nonfiction companions to your favorite Magic Tree House adventures Have more fun with Jack and Annie at [MagicTreeHouse.com](http://MagicTreeHouse.com)
