

"Wick, are you okay?" asked the little girl looking down at him.

Wick opened his eyes. He had a splitting headache. He checked himself over. His heart was slow. "Normal," he thought. He had always had a slower heartbeat.

The little girl was still looking down at him. Uneasily, he got up. He stood on one leg, then the other. He looked around, taking in the simple atmosphere around him. He was in a small room with a twin-sized bed behind him. There was a single window that looked out onto the street outside. "Cozy place," he muttered.

He looked at the little girl. She looked at him with a blank stare, not knowing what to make of him. Wick, knowing how easily humored little girls were, shook himself like his limbs were made of jello.

The little girl giggled. Then, the giggling stopped as she looked at him with severe concern. The type of concern that only a five-year-old girl could show.

"Ought to be taken seriously," Wick thought to himself once more, smiling inwardly. She came up to Wick and grabbed his hand.

"We got to get you to a doctow, Wick! You got a big old boo-boo on your head!"

He lifted his hand to where his head was throbbing. He pulled it back. No blood was found.

Wick knew how little five-year-old girls liked to play imaginary games.

"Lead the way!" He said, smiling brightly. They stepped out of the room through a door that led to a kitchen which, in turn, led outside onto the sidewalk.

Still looking very concerned, the little girl pulled him towards the doctor's office just across the street.

"Hold on," Wick said concernedly. "We've got to look both ways first."

The little girl looked at him, nodded with a ferocious intensity that only a five-year-old girl could pull off, and looked both ways. She looked back at him, and he nodded his approval.

They walked across the street and stepped into a building made of brick and mortar. As soon as they walked in, the first thing Wick noticed was the polished wood floors. He looked around and saw three couches and what he presumed to be a reception desk. The desk itself was of darker, older wood, but polished without fault.

Still, hand-in-hand, they approached a desk where a man who seemed to have been on

## On Call An Original Short Story:

**On Neurogenic Communication Disorders: Original Short Stories and Case Studies** Dennis C. Tanner, 2012-09-26  
On Neurogenic Communication Disorders Original Short Stories and Case Studies is a unique book It is a collection of short stories and case studies about persons with neurogenic communication disorders The short stories are based on people I have known as friends acquaintances or patients The characters in the short stories are based on one person or a composite of several individuals I have placed these characters in interesting fictional situations which provide a vehicle for showing their mettle in dealing with their communication disorders and life challenges The case studies are based on actual clinical cases and situations but literary license has been taken to make them reader friendly and interesting This book of short stories and case studies is not a scholarly clinical treatise on neurogenic communication disorders nor does it aspire to be one While I believe it provides accurate information about neurogenic communication disorders it is a work of fiction and simply a different vehicle for understanding these complex and often devastating medical conditions *The Editor; the Journal of Information for Literary Workers*, 1897 Complete Original Short Stories of Guy De Maupassant Guy de Maupassant, 2024-09-23 Complete Original Short Stories of Guy De Maupassant brings together the renowned short fiction of one of France's greatest literary masters Guy de Maupassant's stories are celebrated for their masterful storytelling keen observations of human nature and distinctive style This comprehensive collection showcases his ability to capture the essence of his characters and settings with striking clarity Maupassant's short stories explore a range of themes including love deception social class and the human condition Each story is crafted with precision offering readers a glimpse into the complexities of life through his sharp often ironic lens The collection includes some of his most famous works reflecting his unique talent for blending realism with psychological insight Complete Original Short Stories of Guy De Maupassant is highly regarded for its literary significance and the enduring relevance of Maupassant's themes His stories continue to captivate readers with their depth emotional impact and insightful commentary on society The collection is an essential read for those interested in classic literature and the art of the short story For fans of literary classics and short fiction Complete Original Short Stories of Guy De Maupassant offers a treasure trove of brilliant narratives Maupassant's ability to engage and provoke thought through his stories makes this collection a valuable addition to any reader's library Now for a story! A collection of short original stories for children, by F. Barry [and others]. Now, 1893 *Five Original Short Stories Based on Social Case Histories* Jean Charnley, 1947 **The Short Stories of Chen Ruoxi, Translated from the Original Chinese** Ruoxi Chen, 1992 These short stories represent a departure from the usual emphasis on the toils of China's cultural revolution Instead they focus on the polemic crossroads syndrome faced by Chinese Americans including such issues as personal and ethnic identity displacement and the conflict of cultures **Short Story Writing** Charles Raymond Barrett, 1898 **Short stories [formerly Magazine of short stories].**, 1898 **Short Stories**, 1894 Short Stories from the Dictionary Arthur
