White, Thomas Joseph,2009-07-14 James F Keating and Thomas Joseph White have gathered here a selection of essays that consider how God s suffering or lack thereof can relate to our redemption from and through human suffering The contributors Catholic Protestant and Orthodox tread carefully but surely over this thorny ground defending diverse and often opposing perspectives Divine Impassibility and the Mystery of Human Suffering is an excellent contribution to the latest stage in this difficult and important theological controversy BOOK JACKET Apostolic Letter Salvifici Doloris of John Paul II on the Christian Meaning of Human Suffering Catholic Church. Pope (1978-2005 : John Paul II),1984\* *Human Suffering* Obioma Des Obi,2001 This book demonstrates how the Christian faith can be practiced more effectively in the midst of the challenges and crises of human suffering in the Igbo African Christian families and how the Gospel message can elicit a new perspective in their understanding of this suffering situation In spite of the enigmatic and paradoxical nature of the perennial problem of human suffering Christ s suffering and death have given it a positive meaning While tensions and challenges are inevitable authentic faith dynamic hope and fraternal charity sustain It is against this backdrop that Obioma Des Obi reconstructs a contextualized theology based on a pastoral

theological response to the human suffering caused by childlessness poverty and premature death The highest Christian optimism should be exercised in every suffering situation Each community must strive to pursue its mission not in isolation but in solidarity through the promotion of peace justice equality and freedom Book jacket *God, Suffering, and Pentecostals* Marius Nel, 2022-02-04 Pentecostals emphasize that God is still the Healer of all illnesses implying that God answers all prayers What about those who are not healed How do we explain suffering Why does a good God allow suffering Is God not powerful enough to prevent it In this publication the author reconsiders these questions from a Pentecostal hermeneutical perspective to develop a novel way to think about God's involvement with suffering among people His experimental theology speculates how a Pentecostal ethos accommodates a theodicy that acknowledges suffering and God's involvement in people's lives Although the book is a theologically constituted attempt anyone can follow and understand its arguments It concludes with alternative views of suffering evil God's loving attention to people the doctrine of original sin and Satan The author also suggests some ways to respond to suffering
