Putting Social Justice and Equity at the Heart of Reading for Pleasure Jane Carter, 2025-03-31 This essential book discusses what reading for pleasure is and what it is not introducing some fundamental ideas about how we learn to read and how this process can impact a child's identity as a reader in classrooms that promote equality inclusion and diversity The profile and importance of Reading for Pleasure has grown significantly over the last few years and is now firmly embedded in both government policy and the Ofsted framework Developing a Reading for Pleasure school that is truly inclusive of the whole school community however can require a culture shift in relation to the teaching of reading representation in the reading environment and the knowledge and attitudes of the school community This book seeks to use the current research teacher case studies and the voices of children to address some of the issues that teachers and pre-service teachers encounter when trying to develop an inclusive Reading for Pleasure culture within their schools Each chapter is co-authored

by teachers and researchers and includes case studies and children's perspectives. It provides practical and evidence-based advice, lesson ideas, and creative ideas to both support and challenge all school leaders, staff, and student teachers in their journey to create readers rather than children that can just read. **Children's Book Corner** Judy Bradbury, 2005-08-30. Provides teachers, librarians, and parents with tips, techniques, activities, and more than fifty read-aloud plans for picture books that can be used with children in grades three and four. *Crash Course in Children's Services* Penny Peck, 2014-09-26. Useful for newcomers to the children's library staff as well as longtime children's librarians, the second edition of this popular handbook provides easy-to-follow instructions to make innovations in children's library materials work for you. Addressing everything from the basics of reference to the complex and highly specialized duties of program development, this handbook is perfect for both librarians and support staff who are assigned to the children's department of a library. This second addition of *Crash Course in Children's Services* covers many of the new issues facing children's library staff, including eBooks, using apps in programming, other online reading options, book trailers, nonfiction, and the Common Core curriculum. It also describes expanded programming options such as makerspaces, gaming, dog reading programs, and play at storytime. Ideal for new children's librarians as well as experienced library staff who have not worked with children recently and longtime children's librarians looking to add new skills to their tool kits, the book familiarizes readers with all the new developments of the past few years, from online reading options to the wealth of new programming aimed at youth. You'll learn about subjects such as pop-up and passive programming, offering online homework help, and outreach and services to special needs children, and then quickly implement new practices into use at your library. **Stories for Free Children** Letty Cottin Pogrebin, 1983.
