**Rethinking Hell** Christopher Date, Gregory Stump, Joshua Anderson, 2014-04-15 Most evangelical Christians believe that those people who are not saved before they die will be punished in hell forever But is this what the Bible truly teaches Do Christians need to rethink their understanding of hell In the late twentieth century a growing number of evangelical theologians biblical scholars and philosophers began to reject the traditional doctrine of eternal conscious torment in hell in favor of a minority theological perspective called conditional immortality This view contends that the unsaved are resurrected to face divine judgment just as Christians have always believed but due to the fact that immortality is only given to those who are in Christ the unsaved do not exist forever in hell Instead they face the punishment of the second death an end to their conscious existence This volume brings together excerpts from a variety of well respected evangelical thinkers including John Stott John Wenham and E Earle Ellis as they articulate the biblical theological and philosophical arguments for conditionalism These readings will give thoughtful Christians strong evidence that there are indeed compelling reasons for rethinking hell Peter S Grice Igniting an Evangelical Conversation Glenn A Peoples Introduction to Evangelical Conditionalism Edward W Fudge The Final End of the Wicked Stephen H Travis The Nature of Final Destiny John R W Stott Judgment and Hell Clark H Pinnock The Destruction of the Finally Impenitent John W Wenham The Case for Conditional Immortality Basil F C Atkinson The Doom of the Lost E Earle Ellis New Testament Teaching on Hell Ralph G Bowles Does Revelation 14 11 Teach Eternal Torment Harold E Guillebaud The General Trend of Bible Teaching Anthony C Thiselton Claims about Hell and Wrath Philip E Hughes Is the Soul Immortal Henry Constable Divine Justice Christopher D Marshall Divine and Human Punishment in the New Testament Nigel G Wright A Kinder Gentler Damnation Richard G Swinburne The Future of the Totally Corrupt Kim G Papaioannou The Development of Gehenna Between the Old and New Testaments LeRoy E Froom Conditionalism in the Early Church Evangelical Alliance Hell and Evangelical Unity Roger E Olson Diverse Christian Beliefs About Life Beyond Death Ben Witherington III Equally Orthodox Christians **1 and 2 Thessalonians** Zondervan, 2016-05-24 Concentrate on the biblical author's message as it unfolds Designed to assist the pastor and Bible teacher in conveying the significance of God's Word the Zondervan Exegetical Commentary on the New Testament series treats the literary context and structure of every passage of the New Testament book in the original Greek With a unique layout designed to help you comprehend the form and flow of each passage the ZECNT unpacks The key message The author's original translation An exegetical outline Verse by verse commentary Theology in application While primarily designed for those with a basic knowledge of biblical Greek all who strive to understand and teach the New Testament will benefit from the depth format and scholarship of these volumes *The 1 and 2 Thessalonians Commentary Collection* Michael W.

purpose for writing an overview of several topics discussed by contemporary commentators and Biblical critics and an extended review of Paul's eschatology including his views regarding the timing of the Lord's second coming Of note four Special Studies address topics unique to 2 Thessalonians chapter 2 and which inextricably color the interpretation of that thorny chapter The Day of the Lord The Apostasia The Man of Lawlessness The Restrainer Since this commentary presumes the God inspired nature of all Biblical writing the author seeks to harmonize the teachings of 1 2 Thessalonians with other relevant Scriptures and also helpfully examines the original language in which the epistles were written A fully annotated bibliography of other commentaries on 1 2 Thessalonians is included to encourage readers to extend their own studies This commentary continues the author's series on the books of the New Testament and is written from the unique standpoint of the Restoration Movement a position which allows him to approach Scripture with no special theological doctrine or dogma to defend and explicate This approach provides an unhindered freedom to listen to what the Holy Spirit would tell us within the pages of the sacred Scriptures By deliberately employing the time honored grammatico historical method of interpretation the Word of God is allowed to impress upon our minds the intent the Divine Author had in mind The author is Professor Emeritus of the New Testament at Central Christian College of the Bible Moberly MO **1, 2 Thessalonians** D. Martin, 1995 1 and 2 Thessalonians Verse by Verse Grant R. Osborne, 2018-06-13 When we overlook Paul's letters to the Thessalonians we miss out Paul's letters to the church in Thessalonica are often considered two of the less important of his letters but they were written to a very important city with very important issues In addition to addressing the issue of Christ's return and the problem of people who refused to work these letters model a truly loving relationship between a pastor and a congregation In 1 2 Thessalonians Verse by Verse respected New Testament scholar Grant R Osborne shows us that in a world that centered on the divinity of the emperor and the demands to participate in the worship of the gods the Thessalonians desperately needed to be given resources that would help them withstand the pressure to conform These letters provide us with a

thrilling example of affection among believers in extremely hard times and help us see how that affection can make severe trials bearable The Osborne New Testament Commentaries by respected professor and author Grant R Osborne are for people seeking a straightforward explanation of the text in its context avoiding either oversimplification or technical complexity Osborne brings out the riches of the New Testament making each book accessible for pastors and all who consider themselves students of Scripture
