

My blanket

John was woken up by a horrible noise in the street outside his house. He opened the window and saw two men fighting.

When they saw him watching them, they ran to the corner of the house and continued to hit each other there. John ran down and opened his front door, but, as it was so cold that night, he wrapped himself in a blanket before he went out. John went closer to the two men who were still shouting and fighting. When they saw him, they stopped fighting and attacked him. They seized his blanket and ran away. John was too old to run after the two men, so he walked sadly to bed without his blanket. His wife said, "What were they fighting about?" He replied, "I think they were fighting about my blanket"
