

A romantic close-up photograph of a man and a woman about to kiss. The woman, on the left, has long brown hair and is looking down towards the man. The man, on the right, has short dark hair, a beard, and his eyes are closed. They are positioned very close together, with their lips just inches apart. The background is a soft, out-of-focus light blue and white, suggesting an outdoor setting. The overall mood is intimate and sensual.

Outside of Titan Group there are few people that Roman Hart would die for. He's a soldier, a protector, and he's haunted that one of the people he should've been able to protect didn't let him. That was years ago, and now a hardened heart and a cocky attitude are his impenetrable shields until one woman, one challenge, drives him to distraction. On the outside, Beth Tourne has it all: luxury car, gorgeous condo, and a job partying with the rich and famous. It's a plush CIA cover, but she wants more. Anything for an adrenaline rush that can override her guilty numbness and let her forget the tragedy she never saw coming. Their scars make them perfect operatives. Their mirrored pasts give them deep, wounded reasons to stay alone. But the more they ignore the tension, the more vulnerable they become. Survival means trust in one another, behind closed doors and on the job. The only way they're making it out alive is if they find peace while waging a war.
