Medieval Gnostics Cathar Caves:

Archeo-Spies Vittorio Di Cesare, 2025-11-06 The purpose of this book is to recount the adventurous lives of a number of scholars associated with archaeology and the history of espionage as well as the ancient and modern techniques used to exploit the past as a kind of secret weapon From Lawrence of Arabia to John Pendlebury from Percy Harrison Fawcett to Richard Meinertzhagen and many others the activities of these agents have been so important in the great game as the writer Rudiah Kipling defined intelligence that in some cases they have changed or at least significantly influenced the political order of the world with repercussions that are still felt today There is a secret power in the past that is capable of transforming it into a dangerous reservoir from which to draw pretexts for new battles in the name of spirits that continue to fan the fires of discord and hatred

The Lost Teachings of the Cathars Andrew Phillip Smith, 2015-11-24 A deep dive into the history culture and legacy of the medieval Christian dualist movement Catharism as seen in popular novels by Dan Brown and Kate Mosse Centuries after the brutal slaughter of the Cathars by papally endorsed Northern French forces and their suppression by the Inquisition the medieval Cathars continue to exert a powerful influence on both popular culture and spiritual seekers Yet few people know anything of the beliefs of the Cathars beyond vague notions that they believed in reincarnation were vegetarians were somehow Gnostic and had some relation to Mary Magdalene The Lost Teachings of the Cathars explores the history of this Christian dualist movement between the twelfth and fourteenth centuries offering a sympathetic yet critical examination of its beliefs and practices In

Princess Diana's death the Eiffel Tower as a German Zeppelin mooring ground and what really happened on 9/11 **The Many Faces of Christ** Philip Jenkins, 2015-10-13 The standard account of early Christianity tells us that the first centuries after Jesus' death witnessed an efflorescence of Christian sects, each with its own gospel. We are taught that these alternative scriptures, which represented intoxicating daring and often bizarre ideas, were suppressed in the fourth and fifth centuries when the Church canonized the gospels we know today: Matthew, Mark, Luke and John. The rest were lost, destroyed or hidden. In *The Many Faces of Christ*, the renowned religious historian Philip Jenkins thoroughly refutes our most basic assumptions about the Lost Gospels. He reveals that dozens of alternative gospels not only survived the canonization process but in many cases remained influential texts within the official Church. Whole new gospels continued to be written and accepted. For a thousand years these strange stories about the life and death of Jesus were freely admitted onto church premises, approved for liturgical reading, read by ordinary laypeople for instruction and pleasure, and cited as authoritative by scholars and theologians. The Lost Gospels spread far and wide, crossing geographic and religious borders. The ancient Gospel of Nicodemus penetrated into Southern and Central Asia, while both Muslims and Jews wrote and propagated gospels of their own. In Europe meanwhile, it was not until the Reformation and Counter Reformation that the Lost Gospels were effectively driven from churches. But still many survived and some continue to shape Christian practice and belief in our own day. Offering a revelatory new perspective on the formation of the biblical canon, the nature of the early Church and the evolution of Christianity, *The Many Faces of Christ* restores these Lost Gospels to their central place in Christian history. **Man, Myth & Magic**, 1995 Major thematic areas of the encyclopedia include Magic, the secret lore, Alchemy, Witches and witchcraft, Devils, demons and angels, Foretelling the future, Birds, plants and animals in myth and folklore, Nature, fertility and creation, myths, Rites of passage, Symbols and Meanings, The hero's quest, Legendary lands and beasts, Western religions, Eastern religions, Ancient myths and legends, Folklore, primitive beliefs and customs, psychology and the paranormal, The soul, Ghosts, vampires and hauntings, Mystics, Unorthodox Christians, Occultists and theosophists. ***East and West***, 1972 **The Last Cathar** Paul Amatucci, 2021-08-19 On March 16, 1244, exactly 777 years ago, about 300 Cathars, who were declared heretics, were burned alive at Chateau de Montsegur. It is said that they walked onto the pyre willingly, chanting and singing, refusing to give up their beliefs and turn themselves over to the Catholic Church. This date, March 16, is called Monts'gur Day, in remembrance of the 13th century Gnostics in France, the Cathars or Albigensians. They were among the first victims of the Inquisition and were persecuted greatly for their loving heresies. The Cathars made their final stand inside the mountain castle at Monts'gur. Conservative historians estimate that at least 250,000 Cathars were hunted down and executed in the following persecutions. The Cathars were among the finest Christians and the best flowering of Gnostic Christianity the world has ever known. ***Arhat vacana***, 1997 ***Book of the Sun*** Marcell Jankovics, 2001 This book is about the Sun that united and still unites the peoples of the world, shaping their ideas and their symbols. The six handsomely illustrated chapters of the

book examine the ideology behind sun worship the meaning and uses of that ideology the myths of the Sun the role of the cult that led to monotheism and the continuous impact of the Sun on universal culture *Last of the Gnostics* Don Durrett,2010 The brutal and largely unknown Albigensian Crusade took place from 1209 to 1229 in Languedoc France and was perpetrated by the Catholic Church The victims were thousands of Cathars the members of the region's popular religion In this extraordinary work author Don Durrett follows six women of the time to capture the Cathar's final years in rich and historic detail Although scrutinized for their beliefs disciples Sarah Miriam and Mary Magdalene and later Margaret Blanche and Joanne offer Jesus true teachings of love and oneness and a Gnostic philosophy that transcendence comes from within Last of the Gnostics weaves actual battles and historic figures in a fictional fabric and uses this backdrop to explore a version of deeply feminine Gnostic spirituality that is quite similar to modern new age philosophy Its inspiring loving message blankets the pages maybe most notably through the Cathar's subsequent persecution as heretics and extinction **A Cathar**

Gnostic Codex Johny Bineham,2014-03-27 Very few of the Cathar beliefs have spanned the centuries Most of what is bandied about at present is derived from the files of the most Holy Inquisition the enemy terminator of the Cathars Because the Cathars believed that the material world was at best an illusion it concerned then not at all what information or dis information they gave those hard at work painstaking Dominican Inquisitors In actual fact the advanced educated Cathar Perfecti professed one thing while believing something entirely different This book A Cathar Gnostic Codex gives some specific insights into the Dualist Gnostic Cathar philosophy be it terse blunt to the point It is certainly not meant to convey anywhere near the entire Cathar teachings and yet it does conveys much that was the heart and soul of that burnt out religion of love Catharism was the only major religion which was totally committed to pure unconditional love for everybody and everything everywhere In that respect they were indeed unique for all religions profess love to varying degrees while sadly latent hate simmers quietly below the surface hence our many wars of religious intolerance The Cathars believed in love which was based on respect for all of humanity man tree and beast They were also well aware of the complete incompatibility of power and love so it came down to Roma versus Amor Any Cathars who were in any way unsure of this maxim had the lesson burned into them at the stake Thousands of Cathars took a roasting literally by the Church so it must raise a few clerical eyebrows to see this modern day resurgence of that despised heresy Catharism As can be surmised from the Codex Catharism is a philosophy that is too high and remote to be constrained and manacled by the strictured doctrines of religion of which the world has more than enough varieties No doubt though some controlling males will try it on with another stone church erected somewhere Catharism cannot be closeted indoors for it lets loose the mind and full frees the soul Begone to the religious controls of heaven and hell the day of judgement Away with the Abrahamic Faiths one shot at life be it the most miserable of existences while you or I have never had it so good Compared to the fair and just system of reincarnation where we will all experience the full gamut of life experiences the one life that is it rather than deific justice and

goodness smacks more of beatific inhumanity to man Contrary wise the Cathars held the belief that we will return until we perfect ourselves by learning to love unconditionally The Cathars as well returned the beauty intelligence and refinement of women to equal place with men After being banished by the Church for some 600 years love was back here to stay thanks to the Cathars Unknown to them today they would be considered egalitarian feminists environmentalists and reincarnationists which they merely considered should be the normal mode of existence for all This book A Cathar Gnostic Codex speaks a relatively little but says a damned lot For those it is meant for it will eventually seek you out by emanation However not all are ready for the this newly arisen Cathar phoenix being resurrected from the many ashes and cinders which was their Medieval fate Thankfully it is somewhat more difficult these days to burn out an idea or ideal which has returned for the betterment of humankind **Arts & Humanities Citation Index** ,1996 *A Cathar Gnostic Codex* Johny Biheham,Matheus,2009

This Codex is not meant for the exultation nor denunciation of any belief Rather it offers a partial explanation into some of the deeper mystical aspects of Cathar Gnostic philosophy as understood by the advanced educated perfecti Another reason is to dispel the view that Catharism is a pessimistic philosophy Rather than possible damnation of the soul their beliefs ascended for they yearned desperately for the reunion of the Divine Spark our unchanging individuality our very essence as distinct from our soul with The Source Birth death re birth until eventually all will be re united with The Source To me no salvation no damnation but eventual joy for all equals no pessimism Please consider this Codex a mere insight into Gnostic Catharism realising the roots of this Gnostic knowledge have far more ancient origins The primary purpose for this Codex is to assist those it is destined for to make or take from the Codex whatever is of benefit Essential Gnostic Scriptures Marvin Meyer,Willis Barnstone,2011-11-22 The people we've come to call gnostics were passionate advocates of the view that salvation comes through knowledge and personal experience and their passion shines through in the remarkable body of writings they produced over a period of more than a millennium and a half Willis Barnstone and Marvin Meyer have created a translation that brings the gnostic voices to us from across the centuries with remarkable power and beauty beginning with texts from the earliest years of Christianity including material from the Nag Hammadi library and continuing all the way up to expressions of gnostic wisdom found within Islam and in the Cathar movement of the Middle Ages The twenty one texts included here serve as a compact introduction to Gnosticism and its principal ideas and they also provide an entrance to the pleasures of gnostic literature in general representing as they do the greatest masterpieces of that tradition The Gnostics and Their Remains Charles William King,1864
