Prayers and Meditations on the Life of Christ Thomas a Kempis,Aeterna Press,1904 In his dedication¹ of the first English translation of this book To the Verie Venerable His most honored deare Lady Marie Tredway First Abesse of Sion Canonesses Regulars of S Augustins Order established at Paris And to her vertuous daughters the Rev Thomas Carre for forty years their chaplain wrote thus I tooke the libertie in the year 1636 To addresse unto you the following of Christ under the name of Thomas of Kempis your brother where I told you that if that truth should chance to be contested you should

rather use prescription then processe c I now returne to you againe with another present of the same Authour and brother which is contested by none Aeterna Press *Meditations on the Christ* Romano Guardini, 2014-09-23 These pages don t tell you what Jesus did you know that already Instead they take you into the mind and heart of the Son of God in a way you may not have thought possible You ll come to understand the inner logic of Jesus ministry why Jesus life had to take the course it took why He couldn t have been the earthly king many were expecting and why He couldn t have conformed to the conventional ideas of a warrior a hero or even just a successful man You ll even see why He had to be abandoned by everyone including His disciples yet His Father remained close to Him then just as He remains close to you now Your new insight into why Jesus chose His own particular paths will illuminate the paths He is choosing for your now and will help you stay on those paths with gratitude and joy Let your newfound knowledge of Jesus blossom into joy as directed by these pages you open yourself to the One whose whole being will resound in your heart and will nourish your soul **Meditations on the Sufferings of Christ. From the German ... Abridged and improved by ... S. Benson** Johann Jacob Rambach, 1827

Christian Meditation Hans Urs Von Balthasar, 2011-10-12 While von Balthasar s classic Prayer is unparalleled in its development of the Trinitarian Christological Mariological and ecclesiological dimensions of prayer Christian Meditation is a short readable and eminently practical guide to that form of prayer which God s revelation in Jesus Christ has made indispensable meditation on the word of God revealing the inner depths of God to man and since it comes from God made man the inner depths of man to himself In a treatment that is both fresh and profound Balthasar describes the central elements of all Christian meditation provides a guide for making the meditation and then points the way to the union that prayer achieves in the footsteps of Mary within the Church and in and for the world Consequently Christian meditation is entirely trinitarian and at the same time entirely human In order to find God no one need reject being human personally or socially but in order to find God all must see the world and themselves in the Holy Spirit as they are in God s sight Hans Urs von Balthasar Moment of Christ John Main, 1984 In this simple guide to contemplative meditation Main talks about the many aspects of silent prayer the way of the mantra leaving distraction behind and fullness of life in love and silence A striking feature of the book is its emphasis on simplicity on transcending self consciousness and moving beyond techniques of prayer **MEDITATIONS ON LIFE AND LIVING? MEDITATIONS ON THE LIFE AND PASSION OF OUR LORD JESUS CHRIST JOHANNES. TAULER,2018

Meditations on the Life and Passion of Our Lord Jesus Christ Johannes Tauler,1904 **The Fire of Christ's Love** Father Raniero Cantalamessa OFM Cap,2012-01-01 Why should we meditate on the cross Because through the cross of Christ we can begin to comprehend God s all consuming love for us The short reflections in this book are taken from homilies presented by renounced evangelist Fr Raniero Cantalamessa on Good Friday in St Peter s Basilica Fr Cantalamessa who has been the preacher of the Papal Household since 1980 unfolds for us the mystery and the power of the cross By willingly embracing the cross for our sake and then rising from the dead Jesus has brought us salvation healing mercy and the hope of eternal life As Fr Cantalamessa contemplates the intensity and reality of Christ s love for us he also shows us how to respond wholeheartedly with that same fire in our hearts *Love Set Free* Martin Lee Smith,2011-01-01 We think of love as being selfless and unsullied but when is it not mixed up with something else such as the desire to possess the need to control the need to be needed or the instinct to foster our own self interest In these meditations on the Passion narratives in John s Gospel Martin L Smith shows how in the Christian mystery love as we often understand it must die in order to be reborn as the grace of communion as love set free As Mary the mother of Jesus and the Beloved Disciple pledge themselves to each other s care at the foot of the cross we see Jesus new commandment that we love one another placed directly in the vortex of his death and self offering Here all sentimental or selfish notions of love are transformed As the Beloved Disciple takes Mary into his home this book shows us a model household of faith from which the church s authentic identity derives its origin
