Mein Leben Bis Kriege German:

Deutsche Lyrik ,1881 **Deutsche Lyrik Selected and Arranged with Notes and a Literary Introduction by C. A. Buchheim** ,1875 *Monatsschrift Für Das Deutsche Geistesleben* ,1941 *Broken Lives* Konrad H. Jarausch,2019-11-19 The gripping stories of ordinary Germans who lived through World War II the Holocaust and Cold War partition but also recovery reunification and rehabilitation *Broken Lives* is a gripping account of ordinary Germans who came of age under Hitler and whose lives were scarred and sometimes destroyed by what they saw and did Drawing on six dozen memoirs by Germans born in the 1920s Konrad Jarausch chronicles the unforgettable stories of people who not only lived through the Third Reich World War II the Holocaust and Cold War partition but also participated in Germany s astonishing postwar recovery reunification and rehabilitation Bringing together the voices of men and women perpetrators and victims *Broken Lives* offers new insights about persistent questions Why did so many Germans support Hitler through years of wartime sacrifice and Nazi inhumanity How did they finally distance themselves from the Nazi past and come to embrace human rights The result is a powerful portrait of the experiences of average Germans who journeyed into through and out of the abyss of a dark century **German Elementary Education from 1890 to 1945** Katharine Kennedy,2025-09-01 In this innovative analysis of German elementary education Katharine Kennedy uses textbooks curricula and pedagogical texts to trace continuities and changes in the lessons taught in the elementary schools of Wilhelmine Weimar and Nazi Germany Children in all three periods were exposed to recurring texts that reinforced attachment to God region and fatherland However they also encountered evolving symbols of the nation and shifting ideas about the identity of Germany and the German people By blending lessons on Hitler race and heredity with traditional narratives Nazi education conveyed its ideology under the cloak of virtue patriotism and normality It provides a compelling example of how a dictatorship manipulates religion and tradition to legitimize a brutal lawless and racist regime *Die literarischen erscheinungen des deutsch-französischen krieges 1870* Eduard Baldamus,1870 **Der deutsch-französische Krieg 1870-71 in Wort und Bild** Egmont Fehleisen,1895 **Programm der Städtischen Höheren Gewerbeschule (Realschule II. Ordnung) in Magdeburg** ,1876 *Literarischer Handweiser zunächst für das katholische Deutschland* ,1871 **Deutsche Versicherungszeitung** ,1897 *Der deutsch-französische Krieg 1870/71 in Wort und Bild* Schleisen,1894 *Jahresberichte für neuere deutsche Literaturgeschichte...* ,1899 **Haus und Herd** ,1877 *God's World. No String Puppets* Jane Lee-Barker,2022-11-17 We live in a world facing many crises pandemics climate and environmental challenges human rights abuses and threats of totalitarian regimes Romano Guardini 1885 1968 a major influencer of Pope Benedict XVI and Pope Francis worked through one of the most difficult periods of German history the first half of the twentieth century What does he have to say to these challenges and how is his notion of providence relevant today Jane Lee Barker shows how Guardini s insight and deep thought on God s providence weave their way through his work enabling the reader to fully

appreciate God's world In relationship with God the human person is invited to participate in responsible care for the world while responding to their own vocational call from the God who sustains him or her

The Allied Air War and Urban Memory Jörg Arnold, 2011-08-22 The cultural legacy of the air war on Germany is explored in this comparative study of two bombed cities from different sides of the subsequently divided nation Contrary to what is often assumed Allied bombing left a lasting imprint on German society spawning vibrant memory cultures that can be traced from the 1940s to the present While the death of half a million civilians and the destruction of much of Germany's urban landscape provided usable rallying points in the great political confrontations of the day the cataclysms were above all remembered on a local level in the very spaces that had been hit by the bombs and transformed beyond recognition The author investigates how lived experience in the shadow of Nazism and war was translated into cultural memory by local communities in Kassel and Magdeburg struggling to find ways of coming to terms with catastrophic events unprecedented in living memory

The National Union Catalog, Pre-1956 Imprints Library of Congress, American Library Association. Committee on Resources of American Libraries. National Union Catalog Subcommittee, 1969

Literature at War, 1914-1940 Wolfgang G. Natter, 1999-01-01 This examination of German texts written about World War I offers an understanding of the relationship between culture and warfare It focuses not only on the literary voices of German authors but also on the wartime agencies institutions and individuals that produced material during the War

Stenographische berichte Germany. Reichstag, 1871 Deutsche Heeres-Zeitung, 1877 **Protestantische Kirchenzeitung für das evangelische Deutschland**, 1886
