

New International Commentary

Ronald Y.K. Fung

New International Commentary:

The Book of Acts F. F. Bruce, 1988-06-30 F F Bruce's revised study on the Book of Acts is a contribution to The New International Commentary on the New Testament Prepared by some of the world's leading scholars the series provides an exposition of the New Testament books that is thorough and fully abreast of modern scholarship yet faithful to the Scriptures as the infallible Word of God *The New International Commentary on the New Testament*, 1951 **The New International Commentary on the New Testament**, 1988 **The Gospel of Matthew** R. T. France, 2007-07-11 It is a special pleasure to introduce R T Dick France's commentary to the pastoral and scholarly community who should find it a truly exceptional and helpful volume So says Gordon Fee in his preface to this work France's masterful commentary on Matthew focuses on exegesis of Matthew's text as it stands rather than on the prehistory of the material or details of Synoptic comparison It is concerned throughout with what Matthew himself meant to convey about Jesus and how he set about doing so within the cultural and historical context of first century Palestine Amid the wide array of Matthew commentaries available today France's world class stature his clear focus on Matthew and Jesus his careful methodology and his user friendly style promise to make this volume an enduring standard for years to come **Commentary on the Book of the Acts** Frederick Fyvie Bruce, 1951 *The First Epistle of Peter* Peter H. Davids, 1990-08-07 *The Gospel of Matthew* R.T. France, 2007-07-11 The English translation at the beginning of each section is France's own designed to provide the basis for the commentary This adept translation uses contemporary idioms and where necessary gives priority to clarity over literary elegance **BOOK JACKET New International Commentary on the New Testament (Set of 18 volumes)** Gordon D. Fee, 2012-07-05 Prepared by some of the world's leading New Testament scholars this series provides an exposition of the New Testament books that is thorough and fully abreast of modern scholarship yet faithful to the scriptures as the infallible Word of God **The Books of Joel, Obadiah, Jonah, and Micah** Leslie C. Allen, 1976-04-19 Allen's study of the Books of Joel Obadiah Jonah and Micah constitute a volume in The New International Commentary on the Old Testament Like its companion series on the New Testament this commentary devotes considerable care to achieving a balance between technical information and homiletic devotional interpretation *The Book of Isaiah, Chapters 40-66* John N. Oswalt, 1998-03-04 The second of John N Oswalt's two part study of the book of Isaiah for the NICOT series this commentary provides exegetical and theological exposition on the latter twenty seven chapters of Isaiah for scholars pastors and students The Epistle to the Romans Douglas J. Moo, 1996-09-30 Paul's letter to the Romans has been called the quintessence and perfection of saving doctrine Perhaps the most challenging and thoroughly doctrinal book of the entire New Testament Romans deals with many issues that are basic to Christian theology and practice In The Epistle to the Romans respected New Testament scholar Douglas Moo provides a superb study of Paul's letter to the Roman Christians and restates the enduring message of Romans for Christians today Originally written for the Wycliffe Exegetical Commentary

series this work has been substantially expanded and adapted for the NICNT series it now treats the entire book of Romans rather than the first half Based on the English text but bringing into the discussion the underlying Greek at every point this commentary focuses both on theological meaning and on contemporary significance Moo makes a contribution to the continuing debate regarding Paul's teaching on such issues as Jewish law and the relationship between the Jews and Gentiles in the people of God He also critically interacts with the new perspective on Paul highlights Romans's emphasis on practical divinity and traces the theme of gospel throughout the epistle *Acts* F. F. Bruce, 1954 *The New International Commentary on the New Testament* Ronald Y.K. Fung, 1988 **The Book of Leviticus** Gordon J. Wenham, 1979-10-05

Wenham's study on the Book of Leviticus is a contribution to The New International Commentary on the Old Testament Like its companion series on the New Testament this commentary devotes considerable care to achieving a balance between technical information and homiletic devotional interpretation *The New International Commentary on the New Testament*, 1951 The International Bible Commentary with the New International Version Frederick Fyvie Bruce, 1986 A revision of The New Layman's Commentary this volume is more than a commentary With 28 introductory articles and 29 maps it is an analytical look at the Bible by such outstanding contemporary scholars as Carl Armerding F F Bruce H L Ellison W Ward Gasque W L Liefield D J Wiseman Gerald F Hawthorne and J M Houston **The Book of Joshua** Marten Woudstra, 1981-03-27 This premier commentary series enjoys a worldwide readership of scholars pastors priests rabbis and serious Bible students They eagerly consult in high quality volumes to inform their preaching teaching and academic research and they warmly welcome each newly published volume as they would an encounter with a stimulating new friend Through the rigorous yet reverent study contained in these commentary volumes readers hear afresh the voice of the living God speaking his powerful word **Biblical Greek Exegesis** George H. Guthrie, J. Scott Duvall, 1998 This intermediate advanced text and workbook teaches syntax as well as exegesis by means of a modified inductive approach *Mothers as the Image of God* Juliann Bullock, 2022-12-12 Is God a man If God is our Heavenly Father does that require God to be male Does the Bible ever describe God as a mother as well as a father If human fathers can show us what God is like can we see God's image in our mothers too How do women uniquely reveal the nature of the One who created both male and female in the image of God Mothers as the Image of God explores answers to these important questions along with many others This book guides the reader on a series of biblical reflections designed to help both men and women experience the motherly love of God revealed in Scripture and to nourish women with the deep confidence that the most feminine aspects of their nature are a profound reflection of the very image of God an image that is exquisitely displayed through mothering whether that takes place biologically through adoption or by pouring into spiritual children New International Commentary on the New Testament Frederick Fyvie Bruce, 1984

Reviewing **New International Commentary**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence.
