[Reforming the UK's Citizenship Test](#) Thom Brooks, 2022-04-29

How many questions could you answer in a pub quiz about British values? Designed to ensure new migrants have accepted British values and integrated the UK's citizenship test is often portrayed as a bad pub quiz with answers few citizens know. With the launch of a new post Brexit immigration system this is a critical time to change the test. Thom Brooks draws on first hand experience of taking the test and interviews with key figures including past Home Secretaries to expose the test as ineffective and a barrier to citizenship. This accessible guide offers recommendations for transforming the citizenship test into a bridge to citizenship which fosters greater inclusion and integration.

[THE CHINESE-AMERICAN METHOD](#) Linda Hu; John X. Wang, 2013-01-24

Raising a child is challenging for many

parents especially for a new immigrant family For those parents they not only have to face the challenges of integrating themselves into a new environment but they also need to handle the conflicts coming from two cultural backgrounds Like many Chinese Americans the authors inherited the traditional Chinese culture Yet they also opened their minds and embraced their new culture Through the collisions of these two cultures they developed a unique parenting strategy a combination of the best of both worlds to educate their children This approach offered them a cutting edge in developing their children to be among the most competitive As they raised their children they held parties to build their children s social groups used teamwork to create a harmonious family strengthening the family bonds helped their children excel in academic competitions taught their children how to be rigorous and strive for perfection inspired their children to explore innovative strategies to overcome obstacles developed their children s creativity leadership and initiative encouraged their children to be involved in the community and gave their children freedom to develop their individual personalities and discover their full potentials The authors believe that their story will be beneficial to other parents and also provide a new perspective of Chinese American families for mainstream Americans
