Answering this is the great quest of human existence Because God is so different from us we struggle to describe him While doctrinal statements about God certainly have their place in Christian understanding the Bible more often uses God's actions and roles to help us know him better Indeed some of the most helpful insights in Scripture arise when God is compared to something else a rock an eagle or a tower And many human metaphors metaphors taken from the world of actions and relationships bring us even closer to understanding of God In Portraits of God Allan Coppedge suggests we look carefully at God as our Father Redeemer King Judge Priest and Creator These portraits taken together give us an understanding of the Holy One for which no single category is adequate These images work their way through the whole of Scripture They are the doorway allowing us into the mysteries of God's very being In Portraits of God Coppedge offers a comprehensive survey picturing a God who wants to be known personally and who has profoundly communicated himself Coppedge finds the inexhaustible nature of God to be one of holiness reflected in and best described by the language of diverse roles Approaching God in this way transforms us as churches and individuals to reflect God's own holy character This is a book for students pastors and churchgoers alike Anyone desiring to know more deeply and wholly the Christian God revealed in the Bible will find in Portraits of God a treasure of scholarship and truth **God's Kingdom and God's Son** Robert

Rowe, 2018-12-10 How is the kingdom of God related to Messianic kingship or divine sonship Starting from what he terms a two tier kingship in the Psalms Robert Rowe explores the linkage of these terms in Mark's gospel The linked concepts God's kingship and Davidic Messianic kingship are traced from the Psalms and Isaiah 40-66 through the Dead Sea Scrolls and other inter-testamental documents into Mark's gospel Mark's characterization of Jesus as Messiah is shown to centre around four royal Psalms 2, 22, 110, 118 Contributing to the continuing study of the Old Testament in the New Rowe argues that the concepts of God's kingdom and the Messiah are inherently closely related This has importance both for the study of the historical Jesus and for Mark's presentation of God and Jesus in his gospel The Matthew Commentary Collection Michael J.
