New Visions For The Future Of Mankind:

New Visions for the Future of Mankind Eileen Coleman, 2009-06 This book will not only appeal to those on a spiritual pathway but also those who are interested in extra terrestrial life forms and why they are here to help mankind in the 21st century New Visions for the Future of Mankind is comprised of channelled messages for the Children of Earth activated by Beings of Light from the Pleiades star system who in association with other worlds have come to help mankind with their transition into a new dimension This contact enabled a linking of minds in a chain across the universe using what could be called a telepathic condition Their messages are becoming more insistent as we approach 2012 with alarming speed time is running out and we will have to make our choices as to where our allegiances lie It is a most incredible and momentous time for the people of Earth for we are all being helped and guided each step of the way towards a brighter more positive way of life in a new world where all can live together in peace and harmony We enable the population of Earth to manifest a structure in time that will empower you all to take that mammoth leap into a new future A new world awaits you where we can all become as one in mind body and spirit We can learn to fly in the truest sense of the word taking on a vast and truly wonderful perspective on life For life is for living to the full and we experience now some of the most wonderful concepts with which to evaporate all misgivings We have taken on board new measures that will instil in us greater self preservation and we assess the situation from afar asking that you will assist us to enable a co joining effectively to take place in the near future We are able to make this assumption at a time when man has discovered for himself that he is not alone evolution is the name of the game and we manifest for you now a greater control in your own destiny At a very early stage in my spiritual development I was urged by my guides and inspirers to write down their messages and started to keep a journal These communications encouraged me in the early years not to give up hope when my world seemed to be caving in on me I would sit and read their words many times over and highly recommend the keeping of a spiritual journal A move to Wales in 2003 helped to raise my frequencies enabling access to even higher dimensions and it was here that I received startling information to be passed on to the Children of Earth *Future Generations and International Law* Emmanuel Agius, Salvino Busuttil, 2013-12-19 Sustainable development requires consideration of the quality of life that future generations will be able to enjoy and as the adjustment to sustainable lifestyles gathers momentum the rights of future generations and our responsibility for their wellbeing is becoming a central issue In this the first book to address this emerging area of international law leading experts examine the legal and theoretical frameworks for representing and safeguarding the interests of future generations in current international treaties This unique volume will be required reading for academics and students of international environmental law and policy Emmanuel Agius is Senior Lecturer at the Faculty of Theology and Coordinator of the Future Generations Programme at the Foundation for International Studies University of Malta Salvino Busuttil is former Director General of the Foundation for International Studies Future Generations and International
