New York In Het Nederlands:

Dutch New York Between East and West Peter N. Miller, Deborah L. Krohn, Marybeth De Filippis, 2009

Commemorating the 400th anniversary of Henry Hudson's voyage and the lasting legacy of Dutch culture in New York this book explores the life and times of a fascinating woman her family and her things Margrieta was born in the Netherlands but lived at the extremes of the Dutch colonial world in Malacca on the Malay Peninsula and in Flatbush Brooklyn When she came to New York in 1686 with her husband and set up a shop she brought an astonishing array of Eastern goods many of which were documented in an inventory made after her death in 1695 Extensive archival research has enabled a collaborative team to reconstruct her story and establish the depth of her connection to Dutch trading establishments in Asia This is a groundbreaking contribution to the histories of New York City the Dutch overseas empire women and material

culture Exhibition Schedule Bard Graduate Center New York 9 17 09 1 3 10 **The Dutch Naval Air Force Against Japan**

Tom Womack, 2023-09-28 Following the Japanese attack on Pearl Harbor the Dutch Naval Air Force or Marine Luchtvaart Dienst MLD played a significant but largely overlooked role in the opening months of the Pacific War With 175 aircraft the MLD greatly outnumbered the combined forces of its American and British allies In three months of intense combat the MLD lost 50 percent of its personnel and 80 percent of its aircraft as the Netherlands colonial empire was stripped away This book details MLD operations during the Japanese invasion of Dutch East Indies giving a comprehensive overview of organization personnel aircraft equipment and tactics For the first time in English the failed evacuation of Java is examined

Een "Algemeen Nederlands Verbond" Foeke Buitenrust Hettema, 1898 Dutch Seventeenth-century Genre Painting Wayne E.

Franits, 2004-01-01 The appealing genre paintings of great seventeenth century Dutch artists Vermeer Steen de Hooch Dou and others have long enjoyed tremendous popularity This comprehensive book explores the evolution of genre painting throughout the Dutch Golden Age beginning in the early 1600s and continuing through the opening years of the next century Wayne Franits a well known scholar of Dutch genre painting offers a wealth of information about these works as well as about seventeenth century Dutch culture its predilections and its prejudices The author approaches genre paintings from a variety of perspectives examining their reception among contemporary audiences and setting the works in their political cultural and economic contexts The works emerge as distinctly conventional images Franits shows as genre artists continually replicated specific styles motifs and a surprisingly restricted number of themes over the course of several generations Luxuriously illustrated and with a full representation of the major artists and the cities where genre painting flourished this book will delight students scholars and general readers alike

The Allied Defense of the Malay Barrier, 1941-1942 Tom Womack, 2015-12-15 Though few realize it the Netherlands East Indies were the object of Japan's attack on Pearl Harbor in December 1941 Likewise their invasions of Guam Wake Island and the Philippines were mainly diversionary operations to safeguard their main assault on Dutch and British colonies Since the end of World War I Japan had coveted the

vast East Indies oil reserves and the colony had feared invasion since Germany overran Holland in May 1940 Isolated politically the weakly defended archipelago was a tempting prize The East Indies government initially maintained a strict policy of neutrality while desperately working to build up its military strength As Japanese actions pushed the region toward war the Dutch reluctantly embraced closer ties with America and Britain For a brief period the East Indies were key players in Pacific War strategy This book details for the first time in English the Dutch prewar strategy their efforts to counter Japanese espionage and their sizable though largely forgotten military contribution in the early months of the Pacific War
