## Next Generation Science Standards 5th Grade:

**Next Generation Science Standards** NGSS Lead States, 2013-09-15 Next Generation Science Standards identifies the science all K-12 students should know. These new standards are based on the National Research Council's A Framework for K-12 Science Education. The National Research Council, the National Science Teachers Association, the American Association for the Advancement of Science and Achieve have partnered to create standards through a collaborative, state-led process. The standards are rich in content and practice and arranged in a coherent manner across disciplines and grades to provide all students an internationally benchmarked science education. The print version of Next Generation Science Standards complements the [nextgenscience.org](http://nextgenscience.org) website and provides an authoritative offline reference to the standards when creating lesson plans. Arranged by grade level and by core discipline, making information quick and easy to find. Printed in full color with a lay flat spiral binding. Allows for bookmarking, highlighting and annotating.
