interested intrigued and deeply drawn to the possibility of Jesus and his narrow way JOHN MARK COMER In The Narrow Path Rich is telling a biography of Jesus the Divine One who not only clears the way teaches the way and shows the way but is the Way The path is narrow because it is only as wide as the person of Christ But it is big enough for everyone s unique journey of life because he is the saviour of all JUSTIN WELBY ARCHBISHOP OF CANTERBURY We live in a culture that wants it all More is seen as better whether it s more money social media fame more choices or power For those chasing this way of life narrow seems negative Who wants to narrow their options or be seen as narrow minded Which is why the most well known talk in history the Sermon on the Mount is also the most paradoxical In it Jesus holds up the narrow path as the most spacious and the broader path as the more confining one Rich Villodas bestselling author of The Deeply Formed Life helps us to diagnose whether we are following the broad or narrow path in order to help us pursue the way of Jesus more deeply The Narrow Path reintroduces the counterintuitive wonder of Jesus s timeless wisdom for this age one fraught with anxiety depression polarizing politics and online vitriol The path of Jesus is most certainly narrow but it is the only one filled with the ever expanding life of God and it is available now for all who want it

**Lessons from Solomon** Glen A.

Blanscet,2018-06-08 Everyone wants to be successful The problem though is that most people misunderstand what constitutes true success The world defines success in terms of our accomplishments the fame and fortune we achieve and the recognitions we receive all of which are fleeting and temporary successes at best True success however is based upon our character the relationship we have with God and the glory God receives from our lives So how do we achieve this level of success Lessons from Solomon answers this question by looking at the life of King Solomon a man who not only achieved success by the world s standards but also had and lost true success that comes from knowing God Author Glen A Blanscet has penned engaging narrative retellings of King Solomon s story from the Bible and from King Solomon s story we learn several success lessons that we can apply in our own search for true success in life Based on the life of Solomon Blanscet has distilled from Solomon s story the life lessons that lead us to genuine success from the wisest man who ever lived I highly recommend this book Dr David L Allen Southwestern Baptist Theological Seminary In this book Glen Blanscet has masterfully extracted from scripture Solomon s successes and failures providing the reader with vivid lessons on attaining true success
