**2023-24 NFHS Basketball Rules Book** National Federation of State High School Associations, 2023      **2024-25 NFHS Basketball Rules Book** National Federation of State High School Associations, 2024      **2025-26 NFHS Basketball Rules Book** National Federation of State High School Associations, 2025      *2022-23 NFHS Basketball Rules Book* National Federation of State High School Associations, 2022      *NFHS Basketball Rules Book* National Federation of State High School Associations,      **Balls and Stripes** Richard Shellhorn, 2018-03-01 Balls and Stripes is a collection of stories about Alaska's most popular sport basketball and more. The title comes from my many experiences playing coaching and broadcasting Naismith's game as well as refereeing the sport and also wearing the stripes of a sergeant in the U.S. Army. Basketball has taken me all over Alaska with radio gear or whistle in hand. From Barrow to Petersburg from Dutch Harbor to Tok it has been a marvelous journey with countless amusing experiences as well as dramatic moments. Much of the action occurs in my hometown Cordova. A small fishing town of 2500 located on Prince William Sound its denizens are passionate about their hoops and also their rivalry with Valdez located just 70 miles away. In many ways sports transcend location. Small town basketball is the same anywhere yet Alaska with its vast spaces and dramatic climates offers unique experiences. In northernmost Barrow I watched Inupiat cooks shut down a high school cafeteria so they could glimpse the sun for the first time in 67 days on the way to Dutch Harbor. I heard a pilot announce the reassuring words that he would land the small prop plane whenever we can to load on fuel necessary to complete the flight. In Petersburg I learned about julebukking and Men's Night Out. Refereeing always a source of potential controversy has provided its share of highlights. How many officials can claim fame for calling a technical foul on a curtain or playing the first minutes of a championship game with the wrong size ball. Football and baseball are also included. Guess who brought Oregon State's mascot Benny the Beaver to Cordova's Iceworm Festival and dodged barbed wire while tracking down a fly ball in Korea. And like so many others who can not recall in vivid detail a last second shot that didn't go in. People places moments Sports drama tears and cheers. It's all here.

This book is a call for commitment by Officials to a proper performance while making consistent accurate rulings. My motivation for this book comes from the fact that I have an absolute genuine concern about THE GAME and I have for a long time. My concern

comes from my belief that officiating basketball is not as difficult as so many among us make it out to be. Much of what I was taught during the first half of my career had no rules support, was vague, came with poor advice, and were even philosophical. Those clinicians and trainers who trained me were terrific individuals with a noble effort to teach me the right way. However, there sure seemed to be many right ways. Their training was also filled with too much about the tricks of the trade and not enough about the trade. I was never instructed to trust the rules. Over the last four decades, we have become conditioned to accept less and less in the name of style, philosophy, and appearance. We must get all Officials committed to enforcing the rules, and they can't do that if they don't know them. This book is long overdue because it is my attempt to let the basketball world hear the words of Peter Webb, my mentor and the most knowledgeable person on the planet on the topic of basketball officiating. We know you'll enjoy and benefit from reading this officiating textbook. *Nfhs Basketball Rules Book*, 2012
