Nice Book Reaching People Under While Keeping:

Reaching People Under 40 while Keeping People over 60 Edward H Hammett, 2007-02-01 Many established churches are facing a number of challenges in today's increasingly secular culture. Such a shift in many communities creates a challenge of church growth and church health when it seems that satisfying the needs of one group creates barriers to reaching another group. So many are asking: How do you keep people over sixty years of age who often hold church culture values while at the same time reach people under forty who often hold postmodern values? If a church is interested in growing, this situation becomes a major challenge. *Reaching People under 40 while Keeping People over 60* looks at the church as it seeks to function in a new world. It looks at the differences in the generations and at postmodernism, not just a generational difference but a global change. Most importantly, *Reaching People under 40 while Keeping People over 60* looks at what a church can do in this new age to help the church survive and thrive. Foreword by Bill Easum. A TCP Leadership Series title. **Reaching**
