Create, Share, and Save Money Using Open-Source Projects Joshua M. Pearce, 2020-10-29 Live a more sustainable and economical life using open source technology. Designed for beginning hobbyists and makers, this engaging guide is filled with ways to save money by making use of free and open source technologies on a wide and impressive range of products. Written by a leader in the field of open source technology, the book reveals the potential of at-home manufacturing and recycling projects and even how to score free big-ticket items including housing and electricity. All the projects have big money saving in mind but also big fun.

Create Share and Save Money Using Open Source Projects lays out the many ways in which you can employ these resources on a small scale to live a more economical and sustainable lifestyle. You'll find tons of DIY projects that demonstrate how to use open source software and hardware to save money on Digital photographs and videos, Music software and instruments, Scientific equipment, Paper and audio books, Maps and GIS data, Patterns for clothing, Security systems, Cars, Electricity.

Justice in the Age of Judgment Anne Bremner, Doug Bremner, 2022-11-08 From Amanda Knox to O J Casey Anthony to Kyle Rittenhouse, our justice system faces scrutiny and pressure from the media and public like never before. Can the bedrock of innocent until proven guilty survive in what acclaimed Seattle attorney and legal analyst Anne Bremner calls the age of judgement? When unscrupulous Italian prosecutors waged an all-out war in the media and courtroom to wrongly convict American exchange student Amanda Knox for a murder she didn't commit, family and friends turned to renowned Seattle attorney and media legal analyst Anne Bremner to help win her freedom. The case was dubbed the trial of the decade and would coincide with the explosion of social media and a new era of trying cases in public as much as the courtroom. While Italian prosecutors, the press, and online lynch mobs convicted Knox in the court of public opinion, Bremner would draw upon her decades in the courtroom and in front of the camera to turn the tide with a new kind of defense in pursuit of justice.

In *Justice in the Age of Judgement*, Anne Bremner and Doug Bremner take us inside some of the biggest cases of recent times and offer their expert thought provoking insights and analysis as our legal system faces unprecedented forces fighting to tip the scales of justice their way. Why couldn't prosecutors convict O J Simpson despite all of the evidence seemingly proving he killed his wife Nicole? Could a jury remain unbiased in the face of overwhelming public pressure in the trial of Minneapolis police officer Derek Chauvin for the murder of George Floyd? Why was Kyle Rittenhouse exonerated after shooting three people, killing two, with an assault rifle at a violent rally despite widespread media reports seemingly proving his guilt and national calls for his conviction? *Justice in the Age of Judgement* is an unparalleled and unflinching look at the captivating cases tried on Twitter and TV where the burden of proof and fundamental legal tenet of innocent until proven guilty is under assault from the court of public opinion.

PC Gamer, 2008 **Time**, 1999 **Intellectual Property** Stephen M. McJohn, 2006 By applying the proven Examples Explanations format to the core concepts of copyright, patent, trademark, and
